Gold Mountain Technologies Introduces The "Patriot"

LIFETIME
WARRANTY

The Patriot is a perfectly balanced, light weight, "turn on and go" detector that out performs everything in it's class.

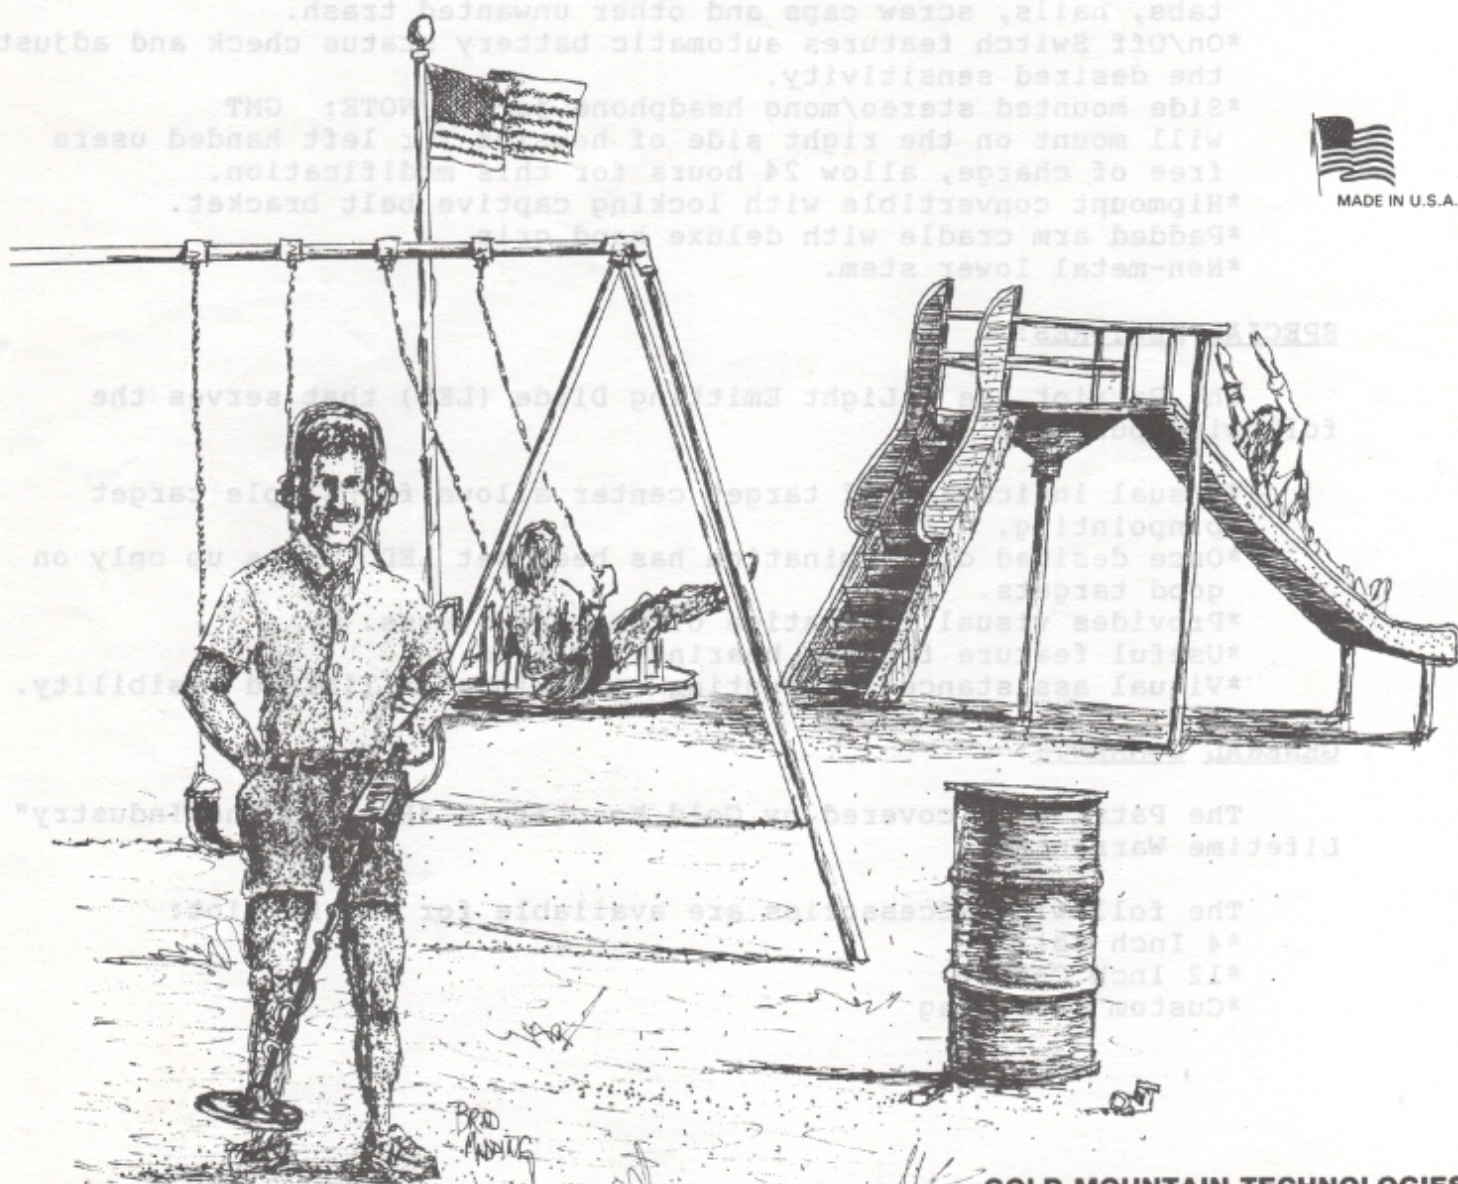

If you are tired of gadgets and gizmos that cost hundreds of dollars and, at best, perform marginally. If you can see beyond the "Madison Avenue", four-color hype (printed off shore), then the Patriot is for you.

No bells or whistles, just unsurpassed DEPTH AND DISCRIMINATION.

Suggested retail price \$269.95.

MADE IN U.S.A.

PATRIOT

The Patriot is a 15Khz, automatic ground balanced, slow motion, discriminator.

FEATURES:

- *Simple to operate (2 knobs)
- *Extremely light weight, 3 lbs. 2 oz. and perfectly balanced for long hours of hunting with little or no fatigue.
- *Single knob adjustment discriminates out iron, bottle caps, pull tabs, nails, screw caps and other unwanted trash.
- *On/Off Switch features automatic battery status check and adjust the desired sensitivity.
- *Side mounted stereo/mono headphone jack. NOTE: GMT will mount on the right side of housing for left handed users free of charge, allow 24 hours for this modification.
- *Hipmount convertible with locking captive belt bracket.
- *Padded arm cradle with deluxe hand grip.
- *Non-metal lower stem.

SPECIAL FEATURES:

The Patriot has a Light Emitting Diode (LED) that serves the following purposes:

- *Visual indication of target center allows for simple target pinpointing.
- *Once desired discrimination has been set LED lights up only on good targets.
- *Provides visual indication of battery status.
- *Useful feature for the hearing impaired.
- *Visual assistance for hunting in periods of limited visibility.

GENERAL COMMENTS:

The Patriot is covered by Gold Mountain's "Best In The Industry" Lifetime Warranty.

The following accessories are available for the Patriot:

- *4 Inch Coil
- *12 Inch Coil
- *Custom Carry Bag

LIFETIME
WARRANTY
